

MAVES 2010

Overview:

MAVES 2010 is an educational conference that looks at Mechanical Circulatory Support of Heart Failure Patients from a multi-disciplinary approach.

Objectives:

- The attendee will have an increased knowledge of VADs and ECMO.
- The attendee will be introduced to new modalities currently being utilized in heart failure patients as well as learn of new techniques and devices on the horizon.
- The attendee will be exposed to new uses of current devices and gain an understanding of how these techniques can be applied to the ever-changing landscape of healthcare.

Awarded 10 Cat. 1 ABCP CEUs and 8 RN Contact Hours.

Application for Respiratory Therapy **CRCE credit** is pending.

Registration Fees:

- **\$75 by April 1**
- **\$100 after April 1**
